Press Release

BFF Appoint a Women's Goalkeeping Coach and Physiotherapist.

With the desire to continue to improve the development of its female age group and Senior Women players the BFF have appointed a National Goalkeeping Coach and Physiotherapist.

As part of the Female Residency programme the BFF have quickly acted in its appointment of Mr. Mohammed Salim Miah as Goalkeeping Coach and Ms. Laizu yeasmin Lipa as Physiotherapist. They both were part of the successful Coaching and Support staff of Bashundhara Kings who impressively won the inaugural Women's League as Champions.

The Federation's General Secretary Mr. Abu Nayeem Shohag commented:

"With the past success of our Women's programme at International level we must try to keep on improving what we do. These appointments will certainly assist the players with their development, wellbeing and support"

The BFF are extremely excited by the appointments with notable experience in the key technical and medical areas to aid both the progression of development and welfare for our players.
