Media Article Senior National Team

The Bangladesh Football Federation (BFF) has taken a positive and proactive approach to improving the environment for the Senior National Team by enlisting the support of Dr. Craig Duncan of Performance Intelligence for the development of the Culture and the Management of Sport Science and Sports Medicine.

Mr. Jamie Day the Federations National Team Head Coach has been conscious of maximising every opportunity to try and improve the support for the National Team players. Dr. Craig Duncan an advocate of High-Performance Systems involving the integration of technology, data and training to ensure players are getting the best possible insight into Performance and how to maximise their potential. Dr. Craig Duncan has worked with both Asian and European Countries in successful campaign's for both AFC Asian Cup and FIFA World Cup Competitions.

Mr. Ivan Razlog will join as Fitness Coach, an Exercise Scientist with experience of working with both Professional Clubs and International Teams. The Physiotherapist is awaiting confirmation. Mr. Les Cleevely will join as Goalkeeping Coach as Mr. Robert Mimms secured a contract with East Bengal in the Indian Super League. Mr. Les Cleevely brings a depth and breath of expertise in the Goalkeeping Development and Performance spectrum with an impressive playing career and spells at Chelsea, Spurs and Crystal Palace as the Goalkeeping Coach.
