#### Striving ahead in the Development of Grassroots Coaches

The Federation of Bangladesh have launched an innovative program of Grassroots Courses nationwide in Bangladesh. The support of the Grassroots Coaches will compliment the development of young players at the Football 'Hubs' within the Divisions.

As part of the strive to improve and support the quality of coaching at all levels of the game. The Coach Education Department have implemented a 5 (five) day long Grassroots Courses which will equip all the Grassroots Coaches with the necessary fundamental coaching skills to then be more effective with younger players nationwide in Bangladesh.

The Honorable Vice President and Chairman of Technical Committee of the Bangladesh Football Federation Mr. Mohiuddin Ahmed Mohi commented:

“We are again refreshed by this added addition to our Coaching Education Scheme. This will in no doubt assist our Grassroots Coaches in their endeavors with players.”

The General Secretary of the Bangladesh Football Federation Mr. Abu Nayeem Shohag commented:

“The Technical Department is working tirelessly in their efforts to meet all our objectives and key targets. I am excited by this new venture as we will now support our young players in the Divisions with better knowledgeable Coaches.”
