## **BFF AFC Professional Diploma Course, Dhaka, Bangladesh**

Following (4) four induction virtual learning workshops Module 1 as part of the BFF AFC Professional Diploma Course commence today.

Over the last few weeks, the BFF has been working tirelessly with AFC to streamline the participant numbers under the regulations of the Coaching Convention 2021. This process has been finalized and Module 1 will now operate over the next eight days with two (2) virtual meetings occurring every day.

Over the next Eight (8) days all twenty-four (24) will connect virtually and listen to a range of speakers, presenters, specialists and practitioners from around the world, under the Module 1 title of 'Preparing Players and Teams for Optimal Performance'. Following Module 1 there will be a learning group task in preparation for Module 2 which will occur in November 2021.

Federations General Secretary Mr. Md Nayeem Shohag who opened Module 1 along with the Senior National Team Captain Mr. Jamal Bhuyan expressing his views on how important Coach Education and Development is in Bangladesh.

The National Technical Director Mr. Paul Smalley will direct the Course and will be working with all participants supported and together with Learning Group Mentors and Coach Education Tutors.
