## Press Release

### **BFF investing heavily into the Education of Coaches.**

The BFF have successfully concluded another BFF AFC B Diploma Course yesterday on 29<sup>th</sup> January 2020. The participants are now embarking on their post course learning tasks and some practical coaching practice.

The course attracted many people from all parts of Bangladesh who were eager to develop themselves as coaches and to improve their repertoire of Football knowledge.

On the course we're four female coaches who would join other existing female qualified coaches. This is a new milestone for the BFF who are also developing female coaches.

Mr. Shahaj Uddin Tipu, one of the course participants and former National Team player, made the comments that, "Not only are we exposed to a whole new level of knowledge, we are confronted with a whole new level of learning with how the course was delivered"
