

**Position: Senior National Team Head Coach**

**Organization:** Bangladesh Football Federation (BFF)

**Location:** Dhaka, Bangladesh

**Reports to:** Technical Director / BFF Executive Committee

**Job Overview**

The Bangladesh Football Federation (BFF) is seeking a highly qualified and experienced **Senior National Team Head Coach** to lead and develop the country's top football teams. The role involves overseeing the Senior National Team, Olympic Team, and U-23 Team, ensuring competitive performance at regional international levels and advising the youth team.

**Key Responsibilities**

**Technical & Tactical Leadership**

- Design and implement a long-term football philosophy aligned with BFF objectives
- Plan and conduct training sessions, camps, and competitive matches
- Develop tactical strategies based on opponent analysis and team strengths

**Team Management**

- Select players based on performance, fitness, and tactical suitability
- Build a disciplined, high-performance team culture
- Manage coaching staff, analysts, and support personnel

**Performance Monitoring**

- Evaluate player and team performance using modern analytics tools
- Prepare technical reports after matches and tournaments
- Track player development and progression

**Collaboration & Development**

- Work closely with the BFF Technical Department and youth development programs
- Align senior team strategies with grassroots and academy systems
- Contribute to coach education and football development initiatives

### **Professional Standards**

- Ensure adherence to international standards of coaching and conduct
- Maintain discipline, integrity, and professionalism at all times
- Represent Bangladesh in official events, press conferences, and international forums

### **Minimum Requirements**

- AFC Pro License / UEFA Pro License (or equivalent)
- Proven track record of success (tournaments, leagues, or international competitions)
- Strong leadership, communication, and decision-making skills
- Experience working in multicultural environments is preferred

### **Preferred Qualifications**

- Background in youth development and talent identification
- Knowledge of sports science, data analytics, and modern coaching methodologies

### **Contract & Benefits**

- Contract Duration: 2 years
- Salary: Competitive (based on experience and qualifications)
- Additional Benefits:
  - Accommodation
  - Travel allowances
  - Performance-based incentives

### **Place of work:**

Dhaka, Bangladesh

**Email:** [technical@bff.com.bd](mailto:technical@bff.com.bd)
