President Statement for March 2018

Congratulations U15 girls

Our young girls continue to do us proud. This time the U15 girls won the Jockey CGI Youth Football Tournament in Hong Kong in their age group.

The Bangladesh U15 team won 10-1 against Malaysia, 8-1 against Iran and 6-0 against Hong Kong, proving convincingly that they were completely in a different league.

Moreover, what really lifts the heart is the fact that our team did not depend on one or two strikers there were more than half a dozen players who found the net showing that it was indeed a team performance not a one man show, or rather one girl show.

Bangladesh comes back to hold Laos

The Bangladesh national team played their first international match in nearly 17 months on March 27 and delivered a decent display away from home.

Despite the lack of match experience, the team showed character and dug deep to carve out a draw from being 2-0 down.

Playing against Laos, currently ranked 14 steps ahead of Bangladesh, the team fought till the final whistle and goals from Jafar Iqbal and Sufil secured a draw for the Red and Greens.

The show of grit gives us hope of better days in football ahead.

Sabina-Krishna off to India

Star footballers Sabina Khatun and Krishna Rani Sarker flew to India on March 25 to take part in the Indian Women's League 2017-18, a franchise football league being played in Shillong.

Their club Sethu FC of Tamil Nadu decided to rest them for the first match on March 26 and lost the match 0-5 against KRYHPSA.

However, Sabina played in the second match against Gokulam Kerala FC on March 28 and scored a goal in a 2-0 victory. Krishna also played the last 15 minutes of the match and showed glimpses of her ability.

Sabina then continued her red hot form to hand Sethu four wins in five games so far where Sabina herself has scored 6 goals.

The BFF wishes them much success in their endeavour and I am sure they will make us proud.
